Directories Tips for Program

Scholarships

The Scholarship Directory contains a list of the Foundations scholarship programs. It is filterable by region. Programs can be enabled or disabled in the backend. Each Scholarship Program entry has the following:

- A place for an image (shows up in the directory page and in the scholarship page)
- Title
- Deadline
- Amount
- Number of Awards, toggle for Per Qualifying School
- Eligibility (brief)
- Service Area(s)
- Details: Description, Eligibility, Selection Criteria, How To Apply (Smarter Select link is in this paragraph), Application Procedure. Anything that is left blank in the backend does not appear on the scholarship page.

Grants

The Grants Directory contains a list of the Foundations grant programs. It is searchable. Programs can be enabled or disabled in the backend. Each Grant Program has the following:

- A place for an image (shows up in the directory page and in the program page)
- Title
- Sort Name (sorts this way in the directory)
- Max Amount
- Cycles
- Service Area (where applicable)
- Deadline
- Purpose
- Grant Details: Description, Deadline and Dates, Eligibility, What We Do Not Fund, How to Apply, Additional Information. Anything that is left blank in the backend does not appear on the scholarship page.

EDRF Grantees

The EDRF Grantee Directory contains a list of every EDRD grant that was awarded from October 2024 to now. It is searchable and filterable by: Amount Awarded, Type of Support, and County. Each EDRF grant entry has the following:

- Organization Name
- Amount Awarded
- County (that the grant supported)

Updated February 2026

- Types of Support (determined by Program in GLM)
- Purpose (taken from press release drafted by Program)

Note: If new grants impact the total EDRF distributions, be sure to update that in other instances on the website such as:

- CFWNC Homepage (timely content)
- CFWNC Helene Recovery homepage
